March 21–22
Disney's Coronado Springs Resort
Orlando, Florida
Booth #402

SCC Soft Computer, the World's Largest Laboratory and Genetics Information Management Systems Vendor

SCC designs, develops, and delivers integrated laboratory and genetics information management software solutions that enable healthcare providers to personalize patient disease treatments based on each individual's unique history and genetic composition, as derived from laboratory and clinical data. Clinical evidence can be corroborated with genetic profiles, giving doctors faster turnaround times in patient treatment.

Personalized Medicine ... powered by SCC Soft Computer. Come see what's new at SCC.
